- If swimming is planned you will need to arrange Lifeguard service through this office.
- The fees are per class and help reimburse the Park for the expense of scheduling additional staff to administer and lead the field trip program. Guided: \$40 (for each class) or Self-Guided educational: \$10 (for each class)
- Day use parking fees are waived for school groups with approved reservations only. Failure to pay parking fees will result in a citation. Schools without a reservation must pay full fees (\$12 per car & \$125 per bus) and maybe re-directed to other locations if the Park is full.

We look forward to seeing you and your students in the park!
