

# A HIKE FOR PROSPECTIVE SIERRA CLUB LEADERS

DATE: Saturday, October 24, 2009

LOCATION: TO BE DETERMINED

LEARN HOW YOU CAN ENCOURAGE YOUR HIKE  
PARTICIPANTS TO OBSERVE THE NATURAL WORLD  
AND WORK TO PRESERVE IT.

Natural Science Section leaders Gabi McLean and Ginny Heringer will lead this hike on interpretive techniques to introduce plants and animals, their interrelationships and protection, with a special emphasis on fire and fire recovery.
