Activities and Outings Skill Level Rating Codes

The Angeles Chapter Safety Committee has established the following classifications for all chapter-sponsored outings to differentiate the levels of skill required of participants and event leaders. Classifications do not relate to outing strenuousness.

- C** Events conducted by a non-Sierra Club entity (e.g., concessionaire).
- 0** Uncomplicated outings such as city walks, bike rides, trail hikes, backpacking. May involve simple off-trail hiking not requiring navigation skills. Climbing level: *Class 1 terrain*.
- 0-2** An "0" backpack.
- I** Outings that involve cross-country travel where navigation is necessary. Rougher ground than **0** outings may be traversed, and the use of hands for balance may be necessary. Includes outings that have snow travel or skiing on easy terrain. Climbing level: *Class 2 terrain*.
- M** Moderate-level climbing: *Class 3 terrain*. On rock, the hands are used for climbing. Some participants may want a safety belay. On snow, safety dictates the use of ice axes and the ability to self-arrest. **MR**: "M" + Restricted.
- E** More exposed than **M** outings. Climbing on *Class 4 terrain*. Rock climbs will use a rope for all in the party. On snow, steeper terrain than **M** outings is permissible, and safety dictates the use of crampons. **ER**: "E" + restricted.
- T** Technical outings requiring specialized skills as identified in the sponsoring group's safety policy.

7:00 am - East Fork Traverse Vincent Gap (6560') to Heaton Flat (2030')

Angeles Chp Hundred Peaks Outing

I: East Fork Traverse Vincent Gap (6560') to Heaton Flat (2030') - Memorable and magnificent aptly describe this adventure. Join us for our 3-peat. Usher in autumn, venturing into the spectacular Sheep Mountain Wilderness and journeying down the East Fork of the San Gabriel River. We'll voyage down the wooded Vincent Gap trail to the remote wild habitat of the wide river bed created by the confluence of Vincent Gulch, Mine Gulch and Prairie Fork. Navigating to a convergence with the magnificent Fish Fork, and then past Iron Fork, rock hops and stream crossings along

the way, we will enter the Narrows. Not only is this the deepest gorge in Southern California, rising 5200' and 4000' to the east and west, the Narrows' rugged grandeur may make it the most beautiful and unforgettable. Our exploration will take us to the arched concrete Bridge to Nowhere, through a corridor of prospecting history, and out to Heaton Flats. Though a car shuttle makes this only about 500' gain (4560' loss) and 16.5 miles, this one day quest is only for the skilled experienced hiker. Please bring liquids, lugsoles, layers, lunch, headlamp and hat. For trip details, send hiking resume to peterdoggett@aol.com.

**Everyone is invited
to join us.
Follow us, we know
the way.**

The Angeles Chapter leads these outdoor activities as a public service to everyone interested in coming along. We offer diverse physical activities — walks, hikes, kayaking, bicycling, backpacking, outdoor photography and more— all covered in these pages.

Activities range from short to long, easy to hard, day walks to over-night backpacks, nearby hikes in the city to hikes in our local mountains and wilderness areas. Some events are tailored for families and

beginners. Others aim to suit tigers who want a vigorous workout. Weekly conditioning hikes can help get and keep you fit. Wilderness hikes can help you experience the best of scenic Southern California.

So, step away from that sedentary lifestyle and join us. Learn first-hand about the thousands of miles of trails that surround the city from people who know the way. And see the wonders of Southern California's wild side.

About the Schedule

This Schedule is published three times a year in print, and an electronic edition is published monthly by email. An interactive version is also available at <http://angeles.sierraclub.org/activities>.

To receive a printed copy of this Schedule, you need to be Sierra Club member and opt-in — call to the Angeles Chapter Office, 213-387-4287 ext. 200, or email a request to be added to the Schedule Mailing list with name, address and Member ID to info@angeles.sierraclub.org. If you are already receiving a printed Schedule, you don't need to sign up again.

Suggested donation is \$10 per year per household to cover costs. Please mail your check payable to the "Sierra Club Angeles Chapter" (write Schedule of Activities on the memo line) to 3250 Wilshire Blvd. #1106, Los Angeles, CA 90010.

Lapsed Club members have 4-month grace period to renew, and will automatically be added back to the printed copy list when membership is renewed.

Front cover: Park visitors hike up the back side of Mt. Hollywood in Griffith Park. The top of Mt. Hollywood gives commanding views of Los Angeles, the Griffith Park Observatory and the Hollywood sign.
