Activities and Outings Skill Level Rating Codes

The Angeles Chapter Safety Committee has established the following classifications for all chapter-sponsored outings to differentiate the levels of skill required of participants and event leaders. Classifications do not relate to outing strenuousness.

C Events conducted by a non-Sierra Club entity (e.g., concessionaire).

0 Uncomplicated outings such as city walks, bike rides, trail hikes, backpacking. May involve simple off-trail hiking not requiring navigation skills. Climbing level: *Class 1 terrain*.

0-2 An "0" backpack.

I Outings that involve cross-country travel where navigation is necessary. Rougher ground than **0** outings may be traversed, and the use of hands for balance may be necessary. Includes outings that have snow travel or skiing on easy terrain. Climbing level: *Class 2 terrain*.

M Moderate-level climbing: *Class 3 terrain*. On rock, the hands are used for climbing. Some participants may want a safety belay. On snow, safety dictates the use of ice axes and the ability to self-arrest. **MR:** "M" + Restricted.

E More exposed than **M** outings. Climbing on *Class 4 terrain*. Rock climbs will use a rope for all in the party. On snow, steeper terrain than **M** outings is permissible, and safety dictates the use of crampons. **ER:** "E" + restricted.

T Technical outings requiring specialized skills as identified in the sponsoring group's safety policy.

Pilgrim's Route, Spain: El Camino Inglés to Santiago de Compostela

Angeles Chapter Outing

O: In 1147 a group of English warships en route to the Holy Land, where they were to join the 2nd Crusade, interrupted their voyage to make the pilgrimage to Santiago de Compostela in Spain, and thus the Camino Inglés was born. Ever since, pilgrims from the British Isles, Scandinavia, Iceland, and beyond have come ashore in Coruña and Ferrol to walk to Santiago. We follow in their footsteps right from their ancient landing site on the Atlantic coast. For the first days, our route follows a huge estuary as we walk from Ferrol to Bantanzos. Along the way we pass through towns and visit churches that have welcomed pilgrims for hundreds of years. After Bantanzos, we begin a moderate climb toward Santiago de Compostela, and avoid the most strenuous stretches thanks to our private bus. We reach Santiago after six days of walking (covering an average of 11 miles each day) where, for the first time, we'll be among masses of pilgrims and tourists that flock here from all corners of the world. The cost of \$2300 (\$2400 for non-members) includes transportation ; 9 nights lodging in twin bedded rooms with private bath (single supplement \$320); all breakfasts and dinners; 3 guided walking tours including entrance fees. A \$500 deposit will hold your place on the trip with the remainder due by March 1, 2016. For a detailed itinerary, complete terms & conditions, and to apply, contact Ed Maurer.

Angeles Chp Wilderness Trainin Outing

MR: Join us on this 3-day backpack to a couple of peaks usually done as day hikes on the far eastern edge of Yosemite National Park. Friday we'll pack in through the gorgeous, aspen-lined Lundy Canyon, and then carefully make our way up and over the steep and loose Lundy Pass and then make camp alongside one of the many "alpine jewel" lakes east of Saddlebag Lake for a day's total of about 4.0 miles with 2,400' gain. Ample time should be available for fishing, swimming, or snoozing in the shady breeze after setting up camp and before settling in for a boisterous Happy Hour under 'waning crescent' night skies. Saturday morning we'll make our way out as the sun rises to scramble up onto the Class 3 Northern ridge of Conness until reaching the East Buttress. We'll turn to the west here and continue our Class 3 romp along the East Ridge all the way up to the summit of Conness. After enjoying the phenomenal summit views, we'll head back to camp for a day's total of about 7.0 miles and 2,300' of gain, and partake in additional leisurely lake lounging and another Festive Happy Hour. Sunday we'll rise before the sun again and make our way over to the East Ridge of North Peak for another fun scramble up through Class 3 terrain to the summit of that fine peak. We'll partake in the views up top and then return to camp (4.0 miles RT, 1,950' gain) where we'll pack up and head out. This is a Restricted Mountaineering outing requiring current Sierra Club membership and submittal of the Sierra Club "Medical Form". Participants must be in excellent condition and be comfortable at high elevation on exposed 3rd class rock. Helmet, harness, belay device, and experience with their use required. IT'S JUST LIKE USING AMAZON DIRECTLY, EXCEPT...
THE ANGELES CHAPTER WILL GET
A PERCENTAGE OF YOUR PURCHASE

Everyone is invited to join us. Follow us, we know the way.

The Angeles Chapter leads these outdoor activities as a public service to everyone interested in coming along. We offer diverse physical activities — walks, hikes, kayaking, bicycling, backpacking, outdoor photography and more—all covered in these pages.

Activities range from short to long, easy to hard, day walks to overnight backpacks, nearby hikes in the city to hikes in our local mountains and wilderness areas. Some events are tailored for families and beginners. Others aim to suit tigers who want a vigorous workout. Weekly conditioning hikes can help get and keep you fit. Wilderness hikes can help you experience the best of scenic Southern California.

So, step away from that sedentary lifestyle and join us. Learn firsthand about the thousands of miles of trails that surround the city from people who know the way. And see the wonders of Southern California's wild side.
