

2017 Candidates for Verdugo Hills Group Executive Committee
6 Candidates (Listed in random ballot order)
6 Open Positions

Annette Kargodorian

I have been treasurer of Verdugo Hills Group since 2011 and would like to continue helping in that position. I have been a member of the Sierra Club for over 12 years because I believe in conservation and love the outdoors. I enjoy leading hikes, car camps and lodge trips and helping with other events.

Charlotte Feitshans

I have been a member of the Sierra Club since 1989. I have enjoyed many events, hiked many areas I didn't know existed and made some lasting friendships. It is an excellent place to meet others who share love of outdoor, our planet and interest in "the bigger picture" of life. Recently I have been involved with the Verdugo Hills Group and I am secretary of their ExCom. I enjoy their spirit of adventure, creativity and dedication to the tenants of the club.

Michael C. Beck

I have been a Sierra Club member since the early 80's. My top concerns as a Club activist have been conservation in general and sustainability in particular. I am also interested in promoting a user-friendly mindset in our activities and events. I have been involved in National Population Committee and for Verdugo Hills I am Climate Change coordinator, Conservation Round Table and Mystery Dinner Fundraisers.

Dr. Carol Henning

Since joining the Sierra Club in 1977, I have gotten ever more involved with the work. I enjoy planning new hikes and urban walks, writing for the Verdugo Views, being on the Los Angeles County Political Committee, the Verdugo Hills Conservation Round Table and Verdugo Hills Executive Committee representative. I think ongoing communication between the Chapter and the regional group is essential.

Delphine Trowbridge

I have been a member of the Sierra Club since the 80's and I have served as Verdugo Hills Chair for many years. I have led many car camps, bus trips, hikes and Mystery Dinners. I founded the VH Round Table and we do local conservation and political work. Through the Sierra Club I have met many wonderful people and my life has been enriched by having joined. It has been my pleasure to serve on the board of the Orange County Group of the Angeles Chapter for the last two years. I am a lifetime member of Sierra Club, and active in leading outings and as an instructor in the Wilderness Travel Course. I currently serve on the Political Committee and am part-time webmaster for the group. I would appreciate being re-elected to another term on the board.

Marlene Vella

I personally share the Sierra Club's mission, and feel the time is right to pursue a more active role in helping the Group carry out its mission. I am particularly interested in animal conservation and feel strongly that the natural environment both locally and throughout the world is an extraordinary gift to mankind and needs to be protected. I bring to the Board the benefits of an eclectic career spanning 30 years including: teacher, copywriter, speech writer, public affairs manager and marketing strategist.
