

Statements for Santa Clarita Group Candidates

Ken Kerner

I have been a Sierra Club member since 1993, am an "O" rated outings leader, and have led numerous hikes and ski tours. I have been politically and recreationally active with the Santa Clarita Group for many years and have been a member of the group's ExComm for a number of years.

Matthew Lax

As a long time resident of the Santa Clarita Valley and hike leader of the Sierra Club, I am interested in the local issues that surround the valley and how the development affects the community. As an ExComm member, I would like to help shape the future of the Santa Clarita Valley by being active in the local political issues that cause challenges for the residents of the valley.

Lynne Plambeck

As a Club member and activist for thirty years, I have focused my work on ensuring a healthy and clean water supply for our community, saving LA County's last free-flowing river, the Santa Clara, and fighting urban sprawl, especially the 21,000 Newhall Ranch project. I participated in the successful effort to stop Elsmere landfill and CEMEX mine. I have received a National Sierra Club award for my work to protect the Santa Clara River and the Chapter's highest Conservation award for my work. I ask for your vote so that I can continue these efforts.

Katherine Solomon

I am a life-long resident of Santa Clarita. As a teacher in the Saugus Union School District, I incorporate Environmental Awareness into my classroom lessons and school events. I regularly attend environmental conferences in order to stay current on local issues, and I am an informed and active speaker at the City Council meetings. I chaired the Conservation Committee for the local Sierra Club group for several years. In my free time I hike extensively in the nearby mountains.
