Wild Alaska - Up Close and Personal
"Wild Alaska - Up Close and Personal -- the small cruise ship advantage" with Terry Gardner, travel writer for the Los Angeles Times, Chicago Tribune and Dallas Morning News. Terry will tell us about her recent trip with InnerSea Discoveries aboard a cruise ship small enough to explore the narrow passages and secluded fjords of Alaska’s rugged coastline. She'll discuss embracing the wilderness and playing outside along Alaska's rugged coastlines. She hiked, snorkeled, kayaked and did stand up paddleboarding. She saw amazing wildlife in their own element. - humpback whales bubble net feeding and lunge feeding and baby whales

O: Costume Party, Baking Cookies and Hiking
weekend at Harwood Lodge at Mt. Baldy
. Want to have the kiddos enjoy nature and bake
cookies in the mountains? Have kids play twister
while you sit in front of the fireplace sipping coffee?
And don’t put away the Halloween costumes. Let’s
have a costume party. Join us for a weekend of
easy family hikes, nature, crafts and kids activities.
Enjoy delicious food and a weekend full of relaxa-
tion, laughter and fun on Mt. Baldy. On Saturday,
we will be hiking 1-2 miles in the local mountains
alongside a stream. Splashing in the stream and
water play are part of the deal! The kids will help us
bake cookies in the evenings. On Sunday, we will
be going to the San Antonio waterfall, and enjoy
some more fun activities together. Harwood Lodge
was built in 1930 as a memorial to Aurelia S. Har-
wood, past president of the Sierra Club and Angeles Chapter leader. It is located in the San Gabriel Mountains, above Pomona, on Mt. Baldy (Mt. San Antonio). The elevation is 6300 feet. The lodge facilities include a picturesquely large, 3-story rustic stone building with a wonderful wooden dance floor, separate dining room, kitchen, two cozy fireplaces on the 2nd floor, gorgeous views, and relaxing porches. In the men’s and women’s and family dormitories you will have bunk beds with mattresses (please bring your own sheets, pillow and sleeping bag or comforter), hot showers, and flush toilets. Lots of space for the youngsters to run around. And yes, there is wi-fi, if you absolutely must be connected. If you are ready to get the kids away from the city and enjoy the solitude of clear mountain air and blue skies, this is the trip for you.

As we always do, all participants will need to help with the cooking and cleaning and the kids activities. It is going to be a fun, social, and amazing trip you will never forget! The cost of the trip is $40 for current Sierra Club members (12 years and older) and $ 55 for non-members. (12 years and older). Price for kids younger than 12 year old is $35 for members and $50 for nonmembers. The fee includes lodging, crafts, snacks, 1 breakfast, and 1 dinner. There is the option of lodging on Friday night Nov 9th after 7 pm for an additional $15 (12 years old and older) and $10 (younger than 12 y.o.). There is one private family room with bunk beds (in addition to the dormitories mentioned above) Families that come on Friday will have priority. All kids need to be accompanied by a parent or legal guardian. (note, we will be baking cookies with the kids on Friday evening too ) All participants need to sign a Sierra Club liability waiver, which must be submitted at check in at lodge. Contact outdoorsygal@sbcglobal.net for address to send payment. Leaders: Silvia Darie and Jeff Wilson. CST 2087766-40. Registration as a seller of travel does not constitute approval by the State of California. Activity is sponsored by the Little Hikers and Junior Explorers group of the Sierra Club and Crescenta Valley. All Sierra Club rules apply. SIERRA CLUB WAIVER
I understand that during my participation in this Sierra Club Outing, I may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in each Outing and cannot be eliminated without destroying the unique character of the Outing. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death (“Injuries and Damages”) from exposure to the hazards of travel and the Sierra Club has not tried to contradict or minimize my understanding of these risks. I know that Injuries and Damages can occur by natural causes or activities of other persons, animals, trip members, trip leaders and assistants or third parties, either as a result of negligence or because of other reasons. I understand that risks of such Injuries and Damages are involved in adventure travel such as Sierra Club Outings and I appreciate that I may have to exercise extra care for my own person and for others around me in the face of such hazards. I further understand that on this Outing there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which I may be exposed.

In consideration for my acceptance as a participant on this Outing, and the services and amenities to be provided by the Sierra Club in connection with the Outing, I confirm my understanding that:

I have read any rules and conditions applicable to the Outing made available to me; I will pay any costs and fees for the Outing; and I acknowledge my participation is at the discretion of the leader.

The Outing officially begins and ends at the location(s) designated by the Sierra Club. The Outing does not include carpooling, transportation, or transit to and from the Outing, and I am personally responsible for all risks associated with this travel. This does not apply to transportation provided by the Sierra Club during the Outing.

If I decide to leave early and not to complete the Outing as planned, I assume all risks inherent in my decision to leave and waive all liability against the Sierra Club arising from that decision. Likewise, if the leader has concluded the Outing, and I decide to go forward without the leader, I assume all risks inherent in my decision to go forward and waive all liability against the Sierra Club arising from that decision.

This Agreement is intended to be as broad and inclusive as is permitted by law. If any provision or any part of any provision of this Agreement is held to be invalid or legally unenforceable for any reason, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

To the fullest extent allowed by law, I agree to WAIVE, DISCHARGE CLAIMS, AND RELEASE FROM LIABILITY the Sierra Club, its officers, directors, employees, agents, and leaders from any and all liability on account of, or in any way resulting from Injuries and Damages, even if caused by negligence of the Sierra Club its officers, directors, employees, agents, and leaders, in any way connected with this Outing. I further agree to HOLD HARMLESS the Sierra Club, its officers, directors, employees, agents, and leaders from any claims, damages, injuries or losses caused by my own negligence while a participant on the Outing. I understand and intend that this assumption of risk and release is binding upon my heirs, executors, administrators and assigns, and includes any minors accompanying me on the Outing.

I have read this document in its entirety and I freely and voluntarily assume all risks of such Injuries and Damages notwithstanding such risks, I agree to participate in the Outing.

O: Yosemite National Park Winter Bus Trip
Join us for the WLA Groups’ 34th annual winter bus
trip. Leave early Friday morning for a 3 night stay in
Yosemite's winter wonderland. This is the best time to
be in the park. The air is fresh & clear; the crowds are
few & there is always enough snow at Badger Pass. Ski-
ers & non-skiers both welcome. There will be ample
time to do whatever you wish: ski snowshoe, hike, ice-
skate, photography or even just loaf. The park has res-
taurants, museums, a visitor's center, an Indian Village,
gift shops & ranger programs.
