Chapter, OCSS

O: Hike Across England Including Hadrian's Wall

Join Sierra Club in a fantastic hiking adventure combining two of the best of England's great walks - The Hike Across England or England's Coast to Coast and Hadrian's Wall. This adventure provides the opportunity to experience the variety and beauty of the English countryside, from quaint villages to lush, undulating terrain; from the spectacular Lake District recently awarded UNESCO World Heritage Site status to the rugged beauty of the Pennines - "the backbone of England", through the emerald green Yorkshire Dales onto the desolate North York Moors to the waves of the North sea. Hadrian's Wall is also a UNESCO World Heritage Site preserving Europe's largest remaining Roman fortification marking the northernmost limit of the Roman Empire. We will follow along part of its path, contemplating the stones, artifacts, a mile-castle or turret, and the history and humanity that have passed along the way.

We stay in small B&B's and country hotels with our luggage being transferred onward to our next lodging so we only carry a light day pack, the better to enjoy the hike and scenery. This trip is fairly strenuous with an average daily mileage and elevation gain of ~9 miles (maximum 15 miles) and ~1,400 feet (maximum ~3,100 feet). Join us for a classic journey that will delight your hiking inclinations and also feed your soul with natural beauty and friendliness of the local people. Cost \$3,200 if you sign-up before December 31, 2017, and \$3,400 starting January 1, 2018. Includes all lodging (double-occupancy), on trip transportation, luggage transfers, most meals, gratuities, all hikes and guides. International airfare, pre and post trip in-country transportation are extra. Non-members of Sierra Club add \$200 to the prices stated. Join Sierra Club today for \$15! SIGN-UP EARLY. LIMITED TO 14-16 PARTICIPANTS. Reserve this trip by requesting an application package from leader, Deirdre Butler, deirdrebutler2@gmail.com 303-823-8649 MST Assistant Leader: Kath Giel.

O: Hiking England's South West Coast Path Section Two

After our successful completion of the first Angeles hiking trip in June of 2017, please join us for another 100+ miles of England's stunning South West Coast Path National Trail and discover its beauty and hidden treasures on this 15 day adventure. Each section of this trail is unique and special. On this trip we travel from north Devon into Cornwall passing through the village of "Portwenn" film location of the Doc Martin TV series. We end at St Ives, a French Riviera lookalike which has attracted some of the world's greatest artists. Changing accommodations just once on the trip allows us to get settled and established. It also means we travel light and conclude our day with a hot shower, scrumptious dinner and snugly bed. The South West Coast Path National Trail represents 630 miles of stunning coastal scenery. Described in the Lonely Planet Great Adventures Guide (2012) as "walking at its most diverse, most spectacular and most delicious" this multi award winning trail is one of the world's greatest walks and is regularly used to provide backdrop to TV and film productions. This trip is strenuous with an average daily mileage and elevation gain of 11 miles (maximum 14 miles) and ~3,000 feet (maximum ~3,500 feet) with plenty of views and photo opportunities. This trip is the second in a series of six, with the goal of covering all 630 miles in total. But each section has its own beauty and character, so you can pick and choose which ones to hike! Cost \$3,200 if you sign-up before December 31, 2017, and \$3,400 starting January 1, 2018. Includes all lodging (double-occupancy), on trip transportation, luggage transfers, most meals, gratuities, all hikes and guides. International airfare, pre and post trip in-country transportation are extra. Non-members of Sierra Club add \$200 to the prices stated. SIGN-UP EARLY. LIMITED TO 14 PARTICIPANTS. Reserve this trip by requesting an application package from leader, Deirdre Butler, deirdrebutler2@gmail.com 303-823-8649 MST Assistant Leader: Becky Wong.

ANGELES CHAPTER, OCSS

C: Expedition: The Coast and Fjords of Norway: Angeles Chapter members have followed us from Alaska to Iceland and now we are following 66° N. to Norway. Our journey begins in Bergen northbound along the rugged coastline, through pristine and dramatic landscapes, world famous fjords, the start of the Northern Light season, numerous UNESCO sites, and cross the Arctic Circle to the far frontier of Kirkenes.

Our 590 passenger expedition ship offers an intimate experience focused on Norway's specific history, culture, and natural wonders. She is actually a working ship the coast of Norway depends on for moving people, freight, cars and post. This will definitely be a departure from your mainstream luxury ocean liners. Our vessels can fit through the fjords where you can get up close and personal with the extraordinary surroundings. The sailing from Bergen begins on October 13, 2018 and ends on October 19, 2018. Our Select Inside cabins begin at \$1,461 double occupancy, with Polar Outside and Superior Outside cabins available. Cabin cost includes full board (3 meals a day), port fees and taxes and onboard expedition teams will teach and lecture on all things Norway. Tipping is not customary on our ship, but tip box is available. We will assist in matching roommates.

For the land portion, you can choose the Sierra Club exclusive contracted package or custom arrangements can be made. Our tour agent is ready to help. Our land package is \$1,735 double occupancy. It wraps around the sail dates, October 10-13 and October 19-20 ,and includes transfers, hotels, Norway in a Nutshell Train Ride, Kirkenes flight to Oslo.

All Cabins go fast, Book Soon. Cabins not under deposit guaranteed until December 1, 2017. Afterward, new bookings are on request. For itinerary, deposit info, cancel policy, port excursions, contact Leader: Donna Specht. 714-963-6345 donnaspecht@juno.com

Why join the Sierra Club? Because we need you!

Your voice will be added to those of more than 600,000 of your fellow Americans who are committed to leave our children a living legacy — clean air, clean water, and natural grandeur. The Sierra Club has been instrumental in preserving wilderness, wildlife and nature's most splendid wild places for over 100 years — Yosemite National Park, Grand Canyon National Park, the Florida Everglades and the Sequoia National Monument to name just a few — helping protect over 150 million acres of wilderness and wildlife habitat.

The Sierra Club is America's most effective advocate for the environment and helps you protect the environment locally and globally. From community issues and action to lobbying on a national level, membership helps you take action where it's needed most. As a member you'll have opportunities to get involved with local chapters, as well as be part of the largest national network of environmental advocates. You'll have the satisfaction of helping preserve irreplaceable wild lands and wildlife. **Your membership counts!**

So please — Join the Sierra Club today!
