Announcing the Angeles Chapter Awards Banquet Honoring 2018 Awardees SUNDAY, MAY 5, 2019

**Long Beach Scottish Rite Event Center
855 Elm Ave.
Long Beach, CA 90813**

Each year the Angeles Chapter recognizes individuals who have provided exemplary service to the Chapter in the fields of Conservation, Outings, Leadership, Interpretation of Nature, and Service.

The **EXTRAORDINARY ACHIEVEMENT AWARD** is awarded upon accomplishing a major goal of the Angeles Chapter that is widely recognized within the Chapter and the Club as well as in the community at large. Generally, the focus of accomplishment is within or near the Angeles Chapter area. The award will not be given annually, but it can be awarded in successive years if warranted. Usually the award will be made to a group of people (group, section, committee, task force, or ad hoc organization), but exceptional accomplishment by an individual can be recognized.

EXTRAORDINARY ACHIEVEMENT AWARD Charles G. Geller, OCSS Leader

Charles came to Orange County Sierrans Section in 2009, with an idea to expand 20s30s to 20s30s40s to accommodate a broader range of participants and use the new beginnings of Meetup to promote an updated platform for younger Sierra Club members. The Meetup site now has nearly 7,000 members. Charles recruits, trains and mentors new leaders, often attending the Leadership Training Seminar to support his candidates. Charles is an O-2 leader and has served on the OCSS Management Committee for the past 10 years in various capacities as Chair, Vice Chair, Secretary, 20s30s40s Chair and Leadership Training Liaison. Charles works to bring

Why join the Sierra Club? Because we need you!

Your voice will be added to those of more than 600,000 of your fellow Americans who are committed to leave our children a living legacy — clean air, clean water, and natural grandeur. The Sierra Club has been instrumental in preserving wilderness, wildlife and nature's most splendid wild places for over 100 years — Yosemite National Park, Grand Canyon National Park, the Florida Everglades and the Sequoia National Monument to name just a few — helping protect over 150 million acres of wilderness and wildlife habitat.

The Sierra Club is America's most effective advocate for the environment and helps you protect the environment locally and globally. From community issues and action to lobbying on a national level, membership helps you take action where it's needed most. As a member you'll have opportunities to get involved with local chapters, as well as be part of the largest national network of environmental advocates. You'll have the satisfaction of helping preserve irreplaceable wild lands and wildlife. **Your membership counts!**
