ACTIVITIES

Friday, May 15 - 22, 2020, Angeles Chapter, OCSS C/O: Voyage Alaska-On the Wild Side

Traveling with your Sierra Club friends come cruise aboard the Radiance of the Seas from Vancouver, B.C. to Seward, AK. Sailing through the Inside Passage, we will view the rugged scenery and native landscapes on our way to go ashore and explore the Pioneer ports of Ketchikan and Juneau. And for 1898 Gold rush buffs: Skagway, Gateway to the Klondike. We will go ashore at Hoonah and Icy Straight Point, home of the Tlingit Community. Leader led hikes and saloon explorations in each port.. As we sail into Disenchantment Bay, get ready for the mighty Hubbard Glacier, 400' tall, 76 miles long and 1,200' thick. The Hubbard Glacier continues to thicken and advance on its way to the Gulf of Alaska. Cruise fare includes ship stateroom, gourmet meals, entertainment, exercise opportunities. Interior staterooms from \$719, double occupancy. Port charges, Gov taxes, transfers, tips, airfare extra.

**Post cruise extension to Denali National Park May 22-30, 2020

Program: Ethiopia with Tom Getz

Tom Getz will present a special program on Ethiopia for the Sierra Club that features the natural world and a short introduction to cultural sites. After viewing the highlights of Addis Ababa, Ethiopias capital, we travel to the mountainous north to see the ancient columns at Axum and the Seat of one of the oldest Christian churches, Ethiopian Orthodox.

At nearly 12,000 ft we visit a grass eating Gelada baboon troop in the Simien Mountains. Next at Lalibela are twelve rock-hewn churches, some still active. We watch a festival processional, and a celebration with priests dressed colorfully as they danced and chanted. In the south we stop at the Tiya stelae, a World Heritage site, before enjoying the diverse cultures of five Omo Valley tribes, some elaborately dressed in native costume, paint and tattoos.

For the nature portion of the show Tom will share his best pictures of wildlife, including five species of Rollers, the rare Prince Ruspoli's Turaco, Von der Decken's Hornbill, Abyssinian ground hornbill, Green Pigeon, Speckled Pigeon, bee-eaters, colorful starlings and crows, owls, parrots and barbets, sunbirds, Vulturine Guineafowl, Sandgrouse, kingfishers, Kori Bustard, woodpeckers, weavers, Cordon-bleu, Firefinch, Abyssinian Long Claw, Fish Eagle, Go-away Bird, and over 40 species of waterfowl. In the Bale Mountains we see the Ethiopian Red Wolf and Mountain Nyala, African Wood Owl, Mountain Thrush. In the desert region of Awasa National Park we see the Black-billed Woodhoopoe, White-headed Buffalo-Weaver, Goshawk, Oryx, and many accipiter species. Other nature images included warthogs, ostrich, Vervet Monkey, Colobus Monkey, baboon, Dik-dik, crocodiles, jackal, butterflies, dragonflies, lizard, flowers, baobab tree and cactus.

Tom will also show his short documentary on the scarcity of water in Ethiopia.

Newcomers Welcome! Bring a Friend. Join the Sierra Club Special Offer \$15. Free drawing. Hike on over to the Community Room, REI Tustin Marketplace, 2962 El Camino Real, Tustin, CA 92782

ACTIVITIES

Friday, April 24- 27,

OCSS

O: Zion National Park Car Camp:

Join us in exploring Zion National Park in Utah during the last weekend in April. The Orange County Sierrans Section and The Natural Science Section are sponsoring a car camping and day hiking outing to learn about the geologic history of one of the most incredible parks in the United States National Park system. The park is the setting of remarkable spires, cliffs, and arches. The geologic history of the park recounts the history of the Triassic and Jurassic Periods, from approximately 245 to 145 million years ago.

One full day will be a tour of Zion Valley, one full day will be a 13.4-mile, 650-foot elevation gain round trip hike through a Triassic petrified forest on the Chinle Trail led by professional geologist Jay Schneider. On Monday, an optional 4.8-mile round-trip, moderately-rated 450-foot elevation gain hike to a double-arch will be available. We will be camping in Watchman Campground at the southern end of Zion Valley. If you need Environmental Awareness credits for your advanced leadership rating, this trip will qualify.

Space is limited to 24 participants including the co-leaders, so RSVP required. Carpooling will be necessary. Cost of trip is \$75 per person for Sierra Club members, \$90 per person for non-members.

Signup Instructions: To reserve a spot on the trip, please send name, address, phone number, brief description of recent hiking experience, and email address, to Jay Schneider at rtntnj@aol.com Once approved, Jay will email you back with instructions on how to transmit your payment.

Why join the Sierra Club? Because we need you!

Your voice will be added to those of more than 600,000 of your fellow Americans who are committed to leave our children a living legacy — clean air, clean water, and natural grandeur. The Sierra Club has been instrumental in preserving wilderness, wildlife and nature's most splendid wild places for over 100 years — Yosemite National Park, Grand Canyon National Park, the Florida Everglades and the Sequoia National Monument to name just a few — helping protect over 150 million acres of wilderness and wildlife habitat.

The Sierra Club is America's most effective advocate for the environment and helps you protect the environment locally and globally. From community issues and action to lobbying on a national level, membership helps you take action where it's needed most. As a member you'll have opportunities to get involved with local chapters, as well as be part of the largest national network of environmental advocates. You'll have the satisfaction of helping preserve irreplaceable wild lands and wildlife. **Your membership counts!**

So please — Join the Sierra Club today!
