Dear Angeles Chapter member,

The Angeles Chapter's Schedule of Activities has been published in one form or another since the chapter's founding in 1911. The chapter routinely leads thousands of hikes a year, led by hundreds of trained leaders and sponsored by dozens of regional groups, activity sections, and committees.

Despite that rich legacy of safe, inexpensive, and inclusive adventures, the Sierra Club has been forced for safety reasons to suspend the outings program through at least August 31st. Many trips have been cancelled, and many more are tentative at best. Due to that uncertainty, we have decided to skip the July-October 2020 printed issue of the Schedule of Activities.

These are difficult times for everyone. Outdoor recreation provides unique benefits that we need now more than ever. We'll be resuming our outings program and the paper version of the Schedule of Activities as soon as possible. Thank you for your support and patience.

If you'd like to see our online schedule of outings, which is more accurate and complete than the printed schedule, then please visit our webpage:

If you would like to receive the printed schedule when we resume, we ask for a $10 donation to help cover our costs of printing. Please mail a check to Angeles Chapter, 3250 Wilshire Blvd #1106, Los Angeles, 90010 with the memo 'Schedule of Activities'.

Thank you for your patience and understanding in these difficult times.

Sincerely,
Morgan Goodwin
Angeles Chapter Senior Director
